Section 1 - Introduction

This directory provides a list of Advantage U for University of Utah Retirees (PPO)'s network providers.

As a member of Advantage U for University of Utah Retirees (PPO), you are not required to select a Primary Care Physician. However, we encourage you to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). They will help coordinate your healthcare. If you need assistance in choosing a PCP you can find a complete list of network providers in this Provider Directory or by going online www.AdvantageUMedicare.com/UofUretirees.php or by contacting our Customer Service Department at 833-951-4345 toll free. TTY users should call 711.

You will get your routine or basic care from your PCP. Your PCP is available to coordinate the covered services you may need. This includes x-rays, laboratory tests, therapies, specialist visits, hospital admissions and follow-up care.

You do not need a referral to see a specialist. A specialist is a doctor who provides healthcare services for a specific disease or part of the body. If you want to use a particular Advantage U for University of Utah Retirees (PPO) specialist or hospital, you may want to advise your PCP that you intend to see a specialist or go to a hospital.

In some cases, your provider will need to get prior authorization from Advantage U for University of Utah Retirees (PPO). A prior authorization is an approval from the plan for medical services and must be requested before services are received.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

Out-of-network providers are under no obligation to treat Advantage U for University of Utah Retirees (PPO) enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 833-951-4345, 8:00 a.m. to 5:00 p.m., Mountain time, Monday through Friday. TTY/TDD users should call 711. You may receive a messaging service on evenings, weekends and holidays. Please leave a message and your call will be returned the next business day. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services. If you use any out of network providers, your share of the cost for your covered services may be higher except in emergencies.

If an Out-of-network provider submits a bill directly to you, you should **not** pay the bill but should submit it to Advantage U for University of Utah Retirees (PPO) for processing and determination of member liability, if any.

Urgently needed services is a non-emergency, unforeseen medical illness, injury, or condition, that requires immediate medical care. When out of the service area or when in-network providers are not available, urgent care may be obtained from any qualified provider. Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage (EOC) for more information, including the cost-sharing that applies to out-of-network services.

If you have a medical emergency:

- Get medical help as quickly as possible. Call 911 for help or go directly to the nearest emergency room. **In an emergency, you do not need permission (authorization) or a referral before getting medical assistance.**
- Emergency medical care is covered whenever you need it, anywhere in the world.
- Ambulance services are covered in situations where other means of transportation would endanger your health.
- As soon as possible, you or someone else should contact your PCP about your emergency. Your PCP needs to know about your emergency because he/she will provide or arrange follow-up care. Please try to contact your PCP about your emergency within 48 hours.
