

CRISIS INTERVENTION & OUTPATIENT MENTAL HEALTH SERVICES

Members of our community should never feel they must face a mental health challenge alone. University of Utah Health Plans and Huntsman Mental Health Institute have teamed up to provide crisis response programs that aim to provide immediate behavioral therapy access. From a fast-acting Mobile Crisis Outreach Team to The Warm Line, which offers a compassionate voice on the other end of the line, U of U Health Plans members have access to a safety net when they need it most.
