# Healthy Premier Welcome

## WELCOME TO HEALTHY PREMIER

This directory lists the providers in the Healthy Premier network. You will have the lowest out-of-pocket cost when you receive services from these providers.

### Choosing Your Doctor:

A **Primary Care Physician (PCP)** is a doctor you see for most of your medical care. Healthy Premier PCPs are listed in the front of this handbook. You do not have to pick a PCP; but we think you should. A PCP will:

- See you for routine check-ups.
- Treat you when you are sick or injured.
- Refer you to a specialist (if needed).
- Approve all non-emergency hospital stays.
- Be your contact if you need care after office hours (except emergencies).

Choose a PCP from the list of providers in this directory. These are the kinds of doctors who are PCPs:

- **Family or General Practice** (for all ages)
- **Internal Medicine** (for adults)
- **Pediatrician** (for children)
- **Obstetrics and Gynecology** (OB/GYN – for women). You may also choose a Certified Nurse Midwife (CNM) if you are having a baby.

You may select one PCP for your whole family or a different PCP for every family member with Healthy Premier as their health plan. If you have a special health need, you may be able to choose a specialist as your PCP. A Case Manager will work with you to choose a specialist as your PCP. Our Case Managers are Registered Nurses. They will work with you and your doctor(s) to make sure you get the care you need.

The Healthy Premier plan provides access to providers and facilities for covered services under your benefit plan. Providers and facilities were selected based on our specific criteria for cost and quality. We survey our members periodically to determine member satisfaction. We look at the number of providers and facilities in the counties where our plans provide coverage to members. We make sure that members can access our providers

and facilities within a reasonable driving distance and/or time.

**Remember:** Go to the emergency room if you have an Emergency Medical Condition that requires Emergency Service. Do not go to the emergency room, though, for routine medical care. If you think your medical problem might be an emergency, call 911 or go to any hospital emergency room.

“Emergency Medical Condition” means, unless otherwise defined in an applicable Benefit Plan, a medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, such that a prudent layperson, who possesses an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in: (a) placing the patient’s health (or, with respect to a pregnant woman, the health of a woman or her unborn child) in serious jeopardy; (b) serious impairment of bodily function; (c) serious dysfunction of any bodily organ or part. Severe bleeding, unconsciousness, and fracture are examples of Emergencies. The determination of whether Emergency Services are Covered Services shall rest with University. Such determination shall be consistent with the definition of “Emergency Medical Condition” as stated above and shall be subject to the appeals process of University. Notwithstanding any other provision in this Agreement, University shall not deny payment for Emergency Services provided by Provider to Members in accordance with USC 42, Section 1395 et seq of the Emergency Medical Treatment and Active Labor Act (EMTALA).

“Emergency Services” means covered inpatient and outpatient services that are furnished by a Provider that is qualified to furnish these services and that are needed to evaluate or stabilize an Emergency Medical Condition.

For questions about your medical benefits, please call Member Services at **1-833-981-0213 for Group Plans** or **1-833-981-0214 for Individual Plans.**

## Bienvenidos

### BIENVENIDOS A HEALTHY PREMIER

Este directorio enumera a los proveedores en la red de Healthy Premier. Usted tendrá el más bajo de los gastos de bolsillo cuando recibe servicios de estos proveedores.

#### Escogiendo a Su Doctor:

Un Médico de Atención Primaria (PCP) es un doctor al que usted ve en la mayoría de sus atenciones médicas. Los PCP de Healthy Premier aparecen en la parte de atrás de este manual. No tiene que escoger a un PCP, pero creemos que debería.

Un PCP realizará lo siguiente:

- Lo verá para chequeos de rutina.
- Lo atenderá cuando esté enfermo o lesionado.
- Lo referirá a un especialista (de ser necesario).
- Aprobará todas las hospitalizaciones que no sean de emergencia.
- Será su contacto si necesita que lo atiendan fuera del horario del consultorio (excepto las emergencias).

Escoja a un PCP de la lista de proveedores que aparece en este manual. Estas son las clases de doctores que son PCP:

- **Práctica Familiar** (para todas las edades)
- **Medicina Interna** (para adultos)
- **Pediatría** (para niños)
- **Obstetricia y Ginecología** (OB/GYN – para mujeres). También puede escoger una Enfermera Obstétrica Certificada (CNM) si va a tener un bebé.

Puede escoger a un PCP para toda su familia, o un PCP diferente para cada miembro de la familia que tiene Healthy Premier como su plan de salud. Si tiene una necesidad especial de salud, puede escoger a un especialista como su PCP. Un Administrador de Caso trabajará con usted para escoger a un especialista como su PCP. Nuestros Administradores de Caso son Enfermeras Registradas. Ellas trabajarán con usted y su doctor(es) para asegurarse de que usted reciba la atención que necesita.

El plan Healthy Premier proporciona acceso a los proveedores y las instalaciones para los servicios cubiertos por su plan de beneficios. Se seleccionaron los proveedores y las instalaciones en

base a los criterios específicos de costo y calidad. Hacemos encuestas a nuestros miembros periódicamente para determinar la satisfacción de los miembros. Nos fijamos en el número de proveedores e instalaciones en los condados donde nuestros planes proporcionan cobertura a los miembros. Nos aseguramos de que los miembros puedan acceder a nuestros proveedores e instalaciones dentro de una razonable distancia o tiempo.

**Recuerde:** Vaya a la sala de emergencias si tiene una a condición médica de emergencia que requiere un servicio de emergencia. No vaya a la sala de emergencia si se trata de una atención médica de rutina. Si usted piensa que su problema médico puede ser una emergencia, llame al 911 o vaya a la sala de emergencia de cualquier hospital.

“Condición de Emergencia Médica” significa a menos que se defina lo contrario en un Plan de Beneficios aplicable, una condición médica que se manifiesta por síntomas agudos de suficiente gravedad, incluyendo dolor severo. De tal manera que un laico prudente, que posee un conocimiento promedio de medicina y salud, podría razonablemente esperar que la ausencia de atención médica inmediata resulte en: (a) poner en grave peligro la salud del paciente (o, con respecto a una mujer embarazada, la salud de una mujer o su feto); (b) deterioro grave de la función corporal; (c) disfunción grave de cualquier órgano o parte del cuerpo. El sangrado severo, la inconsciencia y fracturas son ejemplos de emergencias. La determinación de si los Servicios de Emergencia son Servicios Cubiertos dependerá de la Universidad. Dicha determinación deberá ser consistente con la definición de “Condición de Emergencia Médica” como se indicó anteriormente y estará sujeto al proceso de apelación de la Universidad. No obstante, cualquier otra disposición en este Acuerdo, la Universidad no negará el pago por los Servicios de Emergencia proporcionados por el Proveedor a los Miembros de conformidad con la USC 42, Sección 1395 y siguientes de la Ley de Tratamiento Médico de Emergencia y Trabajo Activo (EMTALA).

"Servicios de Emergencia" se refiere a los servicios

## University of Utah Health Plans Contracting Criteria

The University of Utah Health Plans (UUHP) contracts with physicians and other health care professionals and facilities for all of our product lines, including commercial, marketplace, and Medicaid, to offer provider networks essential to the delivery of health care and services to our members. UUHP is committed to the “triple aim” of improving experience and quality of care, improving the health of populations, and reducing the per capita cost of care.

We recognize the importance of population health and payment reform and have developed extensive care management and value-based payment programs that improve health and align provider reimbursement with value and positive outcomes.

Provider applications to participate in any UUHP network are considered based on the following:

- UUHP business needs which may include and are not limited to:
  - Network adequacy requirements based on state and/or federal guidelines
  - Network adequacy requirements based on the current or expected population of a given geographic area (usually defined by county or zip code)
  - Network adequacy requirements based on provider type and/or specialty
  - Network composition based on scope of services required by payer such as employer, health plan, union/trust, government entity, etc.
  - Demographic needs including but not limited to languages spoken
  - Existing, non-compensated, referral patterns with current network providers and/or UUHP members
  
- Quality, patient experience and cost data as available which may include and is not limited to:
  - Comparisons of provider practice data to benchmark market averages related to compliance with industry-standard quality measures. Examples include: Hemoglobin A1c (HbA1c) testing in diabetic patients, breast cancer screening prevention rates, and child immunization rates.
  - Industry published and available patient surveys and reviews
  - Comparisons of provider practice cost data to benchmark market averages on a per-member-per-month basis for similar populations
  
- The credentialing process which may include and is not limited to, verifying appropriate licensure, education and training, board certification, DEA licensure, accreditation/certification status, review of sanctions and a review of an acceptable history of professional liability claims.

All providers must be approved through our credentialing process before they may participate in any network.

UUHP plans are designed based on specific criteria that we apply to select participating primary care physicians and specialists which include:

- Cardiology
- General Surgery
- Neurology
- Urology
- Orthopedics
- Obstetrics and Gynecology

Additional primary care physicians, specialists, and facilities are included if they meet our credentialing requirements to ensure members have access within a reasonable distance to the number and types of providers needed.
