Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	Network Providers: \$0/individual or \$0/family; or \$0 at Indian Health Care Provider (IHCP) or with IHCP referral at non-IHCP	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must <u>meet</u> their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes, preventive care, office visits	This <u>plan</u> covers certain <u>preventive services</u> without cost sharing and before you meet your <u>deductible</u> . This <u>plan</u> covers some items and services even if you haven't met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. As an example one adult annual routine eye exam is covered as preventative.
Are there other <u>deductibles</u> for specific services?	Yes, <u>prescription drug deductible</u> combined with medical	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	Network Providers: \$0/individual or \$0/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count towards the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes, See http://uhealthplan.utah.edu/individual/providers.php or call 1-833-981-0214	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .
