Read Your Policy Carefully – This outline of coverage provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and University of Utah Health Plans (UUHP). It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

Comprehensive Medical Coverage – This coverage is designed to provide, to persons insured, comprehensive coverage for major hospital, medical and surgical expenses incurred as a result of a covered accident or sickness. Coverage is provided for daily hospital room and board, miscellaneous hospital services, surgical services, anesthesia services, in-hospital medical services, and out-of-hospital care, subject to any deductibles, copayment provisions, or other limitations that may be set forth in the policy.

Notice – This Plan does not include pediatric dental services as required under the Federal Patient Protection and Affordable Care Act. Coverage for pediatric dental services is available for purchase on a standalone basis through the Health Insurance Marketplace. Please contact the Health Insurance Marketplace to purchase the required pediatric dental services.

GENERAL LIMITATION AND EXCLUSIONS

- **Out-of-Network Charges** – You are responsible to pay for all charges on covered services obtained from Out-of-Network providers and facilities unless covered by the No Surprises Act. These charges do not apply to your Maximum Out-of-Pocket.
- **Medical Necessity** – To qualify for benefits, covered services must be medically necessary. Medical necessity is determined by UUHP's Utilization Management team, which includes a medical director along with staff physicians.
- **Non-covered Services and Complications** – When a non-covered service is performed as part of the same operation or process as a covered service, only charges relating to the covered service will be considered. Allowed amounts may be calculated and fairly apportioned to exclude any charges related to the non-covered services.
- **Excluded Services** – Please see the Policy for a full list of excluded services.

RENEWAL – This Policy is renewable at the option of the Policyholder upon payment of the monthly premium when due or within the grace period, except in cases of material fact or fraud in connection with the coverage, Our decision to cease offering this Policy to individual Policyholders, or Our decision to cease offering coverage in the individual market. Unless either formally terminated or otherwise renegotiated, the Policy will be renewed automatically on January 1 of each year. No modification or amendment will be effective until 30 days (or longer, as required by law) after written notice has been given to the Policyholder.

PREMIUMS – Subject to the provisions of the Policy, the premiums will remain the same until the end of the term of the Policy, unless federal or state law or regulations mandate that UUHP modify benefits under the contract. Premiums are payable on the 1st day of each month. The age categories for premiums are as follows: 0-20 years; each year from 21 to 64 years (your premium may change each year from age 21 to 64), and 65 years of age or older. If you or your dependent has a birthday that moves you/them into the next age category, rates may increase upon renewal.
